Hi Everyone,

Happy new Financial Year! (Is that even a thing?) I think every day should be a happy new beginning – let's just be thankful we are here again to walk out our calling in Christ and be filled with Joy that He hasn't finished with us yet. We have His peace. We have been called. We are to be thankful.

We have new opportunity to receive His Mercy and Grace and show the world His Love.

**1 John 4:19 We love because he first loved us.**

**Colossians 3:15 Let the peace of Christ rule in your hearts, to which indeed you were called in one body; and be thankful.**

We have a fair bit of news to share with you this edition.

First up, are the Brad Huddleston meetings (see dates and times below) – we encourage you to share the posters (attached in the email) and invite as many people as you are able to come along. We are very blessed and privileged to be a part of what Brad is doing for the Kingdom and our country.

After serving God for 15 years in Queensland in youth ministry, leading a Bible College and campus pastoring they felt called to Bendigo to impact the region for Christ. Being initially raised on a property in Western Queensland before moving to the Sunshine Coast, Kerrin is a passionate outdoors man with his own fishing tv show (My Fishing Place) and a self-confessed addiction to hunting! Kerrin's passion for life is infectious and his desire to see men personally engage with Jesus and God's plan for their lives is inspiring.

**STOP ON THE 14TH DAY OF THE 7TH MONTH AND PRAY THAT THE LORD WILL HEAL OUR LAND WITH DROUGHT-BREAKING RAIN.**

See Cam for Bible College study nights:

**Isaiah 58: 11, 12**

**11** The LORD will guide you continually, And satisfy your soul in drought, And strengthen your bones; You shall be like a watered garden, And like a spring of water, whose waters do not fail. **12** Those from among you Shall build the old waste places; You shall raise up the foundations of many generations; And you shall be called the Repairer of the Breach, The Restorer of Streets to Dwell In.
