### *Prayers needed*

We are asking the church to continue to pray for Cam and Claire and also Audrey. God knows they need the love and prayers of their brothers and sisters to carry them through this very hard time, we thank you so greatly for honouring them through your faithfulness.

### *Ladies Bible Study news*

Our Wednesday Ladies bible study have taken a brief break from study this term and instead decided to host weekly “Goondiwindi Mums Connect” mornings with a focus on Meal prepping.

The outcome so far has seen a sense of community being formed and women within Goondiwindi coming together to share a recipe and prepare a meal to take home to their families. Each week there has been enough ingredients to spare a meal or two and be able to bless someone else outside of these gatherings. We encourage everyone to come along, our focus is mums, but if you are a grandma, aunty, sister or friend you are most welcome and bring a friend. The need for strengthened community is greater than ever before and we hope to see simple connections happening that allow people to meet with Jesus and know His love for them.

# NEWSLETTER FORMAT

We would like to invite more contributors to our Church Newsletter. We want this to be a space for praise and encouragement for things going on, not just within the church on Sunday, but out there in the community, day in day out.

If you can share snippets of the week you have had with God, it is sure to bless others within our family. We have so many aspects that make up the body, it is important we know what the other parts are doing and endeavouring to do.
