Good Morning,

First off - please let me apologise that this months newsletter is so late in getting to you. This is my third attempt at completing it this week - so it should reach all.

This month **SEPTEMBER**  
**10th** Bike week at BRCC starts  
**14 - 15th** Spring Sounds in Dalby  
**16th** The Ark VAN is visiting  
**21st** Last day of Term 3

I have also attached a newsletter from Katrina which has a few prayer requests and also some testimonies.

Please also keep Mama Rescues tutoring families in your prayers.

As God opens up increased opportunities to share the gospel, more and more of the families are coming under attack.

Isaiah 40:31  
but those who hope in the LORD  
will renew their strength.  
They will soar on wings like eagles;  
they will run and not grow weary,  
they will walk and not be faint.

Thank you. Enjoy the rest of your month.

Be blessed,

Jess

Hello to all my friends, family and Partners,

I am excited to be able to share this newsletter with you!! In August we did a week of training Children's leaders and it was a week filled with the power of God touching and changing lives and I have put together this newsletter to help you see and read all the wonderful things that God is doing, I hope you enjoy!!

Please continue to pray with us as we start another leaders training in September. This time it's slightly different as we don't have any school holidays but are doing 5 Saturdays starting on the 8th of September and completing the training on the 6th of October. It's the first time that we have tried training this way and I pray that it will be effective.

The reason we are doing another group is that we have soo many of the Pastors that we are already working with desire to have more leaders trained for other churches that they have started and so the interest in our Ministry is growing as we connect and make good relationships with churches. God is moving and we are excited at what He is doing!!

This year we have been trying to go to all 14 of the churches that we are currently working with. I have been preaching and we have seen a real move of God as people receive the Word of God and churches are being transformed by the power of the Word.

Please pray for us as we continue to go around to different churches, that God will speak through me and we will encourage and strengthen the Church of God! For God is poring out His glory all around the world and we are beginning to see God move here in Beira Mozambique!!

Another couple of prayer requests for our family

1. Gerron needs to start school next year, there are two schools that we are considering, please pray that we will have peace and wisdom in making the right decision as this is a big thing for us to work out!!

2. Isac only has about 10 week of Medical training left before he is completely finished and will become a fully qualified Medical Practitioner!! He is very busy and we would appreciate your prayers during this time

3. Pray for all of our health, Gerron has been doing great, but the last couple of weeks his asthma has been getting bad, and I have been struggling with a sore throat and because we are all very busy our family needs your prayers to sustain and lift us up!!

Love you all, fly with the eagles,

Katrina, Isac, Gerron, Ethan and Kaitlin
